I have made a minute and careful ohemical analysis of a fair sample of several hundred casks of Robert Brown's "Four Crown" Blend of Scotch Whisky, taken by myself from the bonded stores in which the casks are lying, and the result of my analysis indicates that it is a pure Whisky, which has been matured for a considerable period in Sheery Casks, and from its mild and Ports, on SATURDAY, the 16th September, agreeable flavour I am of opinion that it is a very fine blend of Scotch Whisky. INTIMATIONS PURE VOLATILE EUCALYPTUS OIL.

DISTILLED FROM THE LEAVES OF SEIECTED SPECIES OF EUCALYPIUS. .

Sept. 12, PEBHAWUE, British str., 2, 36, J. F. LUCALYPTUS OIL has long taken a foremost place as a "household ramedy" in Australia. When applied externally it has a powerful atimulant and southing action but does not blister the most sensitive skin and no applicition known will so quickly subdue the pain of muscular rhoumatism. Taken internally in small doses, it sots as a

powerful atimulant and autispasmodie, whilst its secondary sotion induces sleep. The penetriting agreeable vapour of the Oil is secutive, and when inhaled relieves Asthma, Bronchitis, Catarri, and Sore Throat. It is also a most powerful autiseptic and germicide, being three times as effectual as Carbolic Acid in preventing development of Bacteria, its uses in this direction being very numerous. The active properties of the Oil depend upon Torpene called Enoulypiel, and we guarantee this Oil, prepared specially for us, to contain the argest obtainable percentage of Eucalyptol and twice that of the ordinary Eucalypins Oil of

Cents 50 and \$1 00. THE VICTORIA DISPENSARY. DAKIN, CRUICKSHANK & CO., LTD.
